Most applicants apply to the Marriott School the summer before their junior year.

- **Deadline to apply for Fall is the last business day of June by 4:30 p.m. Each program starts at the beginning of a new academic year.**

**\*\*Note:** The sequence of courses suggested may not fit the circumstances of every student. Students should contact their advisement center for help in outlining an efficient schedule.

**Note:** Students are encouraged to complete an average of 15 credit hours each semester or 30 credit hours each year, which could include spring and/or summer terms. Taking fewer credits substantially increases the cost and the number of semesters to graduate.

### THE DISCIPLINE:

Financiers are the gatekeepers of the money within an economy. Finance is the study of the entire process from both sides—the financier holding the financial capital and the entity requesting the use of that capital. It explores how and under what conditions financial capital is transferred from the financiers to the corporations, governments, and individuals seeking to use the money. In a way, finance is the study of how to most effectively and most efficiently get financial resources from the financiers to the people who will create the next revolutionary product or service. The finance major offers a broad set of tools and insights regarding how to most profitably employ and allocate monetary resources. Students will study the efficiency of the markets in which all these transactions take place and learn about ways in which all participants in the financial system can reduce or hedge the various risks they face.

### CAREER OPPORTUNITIES:

Finance graduates work in a variety of fields that include but are not limited to: asset manager, commercial banker, corporate financial planning analyst, corporate treasury analyst, consultant, credit analyst, equity analyst, investment banker, private wealth advisor, and securities or commodity trader.

### GENERAL INFORMATION:

Students are encouraged to apply to the Marriott School of Management during their junior year, as soon as they have completed the prerequisite courses. Marriott School majors are limited enrollment programs and the application process is competitive. For assistance in preparing for the application process, it is highly recommended that students visit the Marriott School Advisement Center.

### REQUIREMENTS FOR APPLICATION:

All new students entering the Marriott School commence their study at the beginning of fall semester. Admission into the Marriott School is based on consideration of the following:

- GPA in prerequisite courses
- 500-word essay
- A review of the overall academic record
- Resume

Prerequisite courses must be completed before the application deadline. Any application with a prerequisite GPA below a 3.0 will not be considered. When prerequisite GPA is calculated, repeated or transferred courses will be discounted. See the Marriott School Advisement Center for more information.

### TRANSFER INFORMATION:

No more than 12 credit hours of upper-division transfer credit will be accepted toward the major, and only 6 hours beyond the management core. Transfer equivalencies for the following courses will not be considered: Acc 310, IS 201, M Com 320.
