#### THE DISCIPLINE:

Therapeutic recreation students learn how to use recreation as a treatment modality to help people with illnesses and disabilities improve functional behavior, develop skills and abilities related to leisure and well-being, and improve quality of life. They accomplish this through therapeutic interventions using arts and crafts, outdoor recreation, sports, games, dance, drama, music, or community outings. Therapists also help integrate people with disabilities into society by teaching them how to use community resources and recreational activities. The foundational business courses provided by the TR program in the Marriott School of Management prepare our students for upward mobility into leadership positions, providing a unique competitive advantage over other programs across the country.

#### CAREER OPPORTUNITIES

Graduates of the TR program are eligible for national certification and state licensure as recreation therapists. They work in a variety of settings, including centers for physical rehabilitation, behavioral and emotional residential treatment, eating disorders, drug and alcohol rehabilitation, adaptive sports, and assisted living. They also work in spinal cord and head injury accredited facilities, corrections, wilderness and adventure therapy programs, parks and recreation programs, schools, community centers, long-term care facilities, youth programs, community-based recreation programs for people with disabilities, and other centers.

#### REQUIREMENTS FOR APPLICATION:

All new students entering the Marriott School commence their study at the beginning of fall semester. Admission into the Marriott School is based on consideration of the following:

- 300-500 word essay
  - Resume
  - A review of the overall academic record
- Prerequisite courses must be completed before the application deadline. Any application with a prerequisite GPA below a 3.0 will not be considered. When prerequisite GPA is calculated, repeated or transferred courses will be discounted. See the Marriott School Advisement Center for more information.

#### TRANSFER INFORMATION:

No more than 12 credit hours of upper-division transfer credit will be accepted toward the major and only 6 hours beyond the management core.

Transfer equivalencies for the following courses will not be considered:

Acc 310, IS 201, M Com 320.
