Transfer Students

Prospective transfer students should contact the faculty advisor listed below to arrange a review. Upon acceptance into the department, students are placed at the appropriate level of study at the discretion of the area faculty.

Note: Students may apply to the photography program no more than twice. Transfer students not accepted into BFA degree programs may elect to enroll in the BA program with a photography emphasis. Admission to the department does not guarantee admission to BYU.

TALENT AWARDS

All students are encouraged to apply for department Talent Awards by the February 1st deadline.

BA WITH LICENSURE OPTION:

Photography majors may also become licensed as K-12 art and design educators through the Art Education licensure program in the Department of Art. There are many opportunities for teachers with a photography background. The licensure program prepares students for these opportunities through a series of courses including student teaching. Please review the Art Education major requirement or contact the college advisement center. **Note: This is NOT a second major.**
